

Dear Sir/Madam,

I'm sure you have heard by now that Sinclair broadcasting is attempting to undercut our democratic process by forcing it's owned affiliates to play an anti-Kerry film just before the election this November. This company is known for it's conservative bias and this clear attempt to smear one of the candidates in our presidential election (the non-conservative one) is an attempt to circumvent the laws governing the use of publicly owned forums during an election cycle. I urge you to do everything in your power to prevent Sinclair's attempt at undercutting our democracy.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest.
